

# CARLOS AUGUSTO MAY VIVAS

Student (Next Software engineer)

## CONTACT

Phone number: +52 (999)3240896  
Email: a18001347@alumnos.uady.mx

## LANGUAGES

First language: Spanish  
Second language: English

## PERSONAL PROFILE

The improving never stops, that's why I will be a software engineer. The technology will never stop getting better and better, and I want to be part of the process, that is why I have a huge motivation to improve myself by learning more in every chance I have, starting with some languages like C, C++, Python to more advanced projects.

## SOFTSKILLS

- Responsibility
- Communication
- Adaptability
- Flexibility
- Open to feedback
- Problem resolution
- Consistency
- Creativity

## ACADEMIC HISTORIAL

### Escuela Preparatoria Uno

Universidad Autónoma de Yucatán

- Assisted from 2018 to 2021
- Graduated with 8.7 as general media

### Facultad de Matemáticas

Universidad Autónoma de Yucatán

I am on the way to get more experience by taking the career of software engineer, where I will learn the principal skills that I must have and also learn about multiple programming languages.

## COMPETENCES

- Some knowledge about C++
- Good logic reasoning
- Experience in video editing
